**MINERAL COUNTY REPORT  
CONCERNING RULE 4 SERVICE ON  
FINAL LIST OF CALIFORNIA  
RIPARIAN PROPERTY OWNER  
DEFENDANTS**

Pursuant to the Court's direction, *see* ECF 943 & 1002,<sup>1</sup> Mineral County hereby submits the following information documenting personal service efforts on the final list of 320 California riparian property owner Defendants to be served via Fed. R. Civ. P. 4 personal service, which list was attached to the Court's July 19, 2021, *Order Relating to Completion of Service and Schedule for Responses to Mineral County's Second Amended Complaint in Intervention*. ECF 943. This Report sets forth the status of service on each of these 320 Defendants and requests that the Court: (1) correct the spelling of the names of certain Defendants; (2) dismiss certain Defendants; (3) add certain served Defendants to its Unrepresented Parties list; and (4) ratify Mineral County's service efforts as to the final list of California riparian property owner Defendants.

Consistent with the practice that has been followed in the C-127 subproceeding,<sup>2</sup> Mineral County requests that any comments or objections with respect to this Report be submitted within thirty (30) days of the submission of this Report. Mineral County also invites any party to contact counsel for Mineral County to discuss any concerns regarding this Report so that corrections might be made promptly and without the need for additional filings. Mineral County does not believe this Report raises any issues that require a hearing, but proposes that any response filed by Defendants include such a request if deemed necessary by the filing party. If no comments or objections are received, Mineral County will submit a proposed order within

sixty (60) days of the filing of this Report, as was the practice in the C-127 subproceeding. That proposed order will include an amended caption.

Following ratification by the Court of Mineral County's service efforts on the final list of California riparian property owner Defendants, Mineral County intends to file a motion for publication consistent with the procedure followed in the C-127 subproceeding, which would provide notice to any potential unidentified Defendants in the categories of water users in the Walker River Basin that the Court has ordered Mineral County to serve, and which also would provide notice to the general public. *See* Joint Motion to Allow Service by Publication, *United States v. WRID*, 3:73-cv-0127 (Feb. 9, 2015) (C-127 ECF 2163); Order to Allow Service by Publication, *United States v. WRID*, 3:73-cv-0127 (Feb. 27, 2015) (C-127 ECF 2181).

**Background:**

This Report addresses Mineral County's service efforts under Rule 4 of the Federal Rules of Civil Procedure on the final list of California riparian property owner Defendants, who the Court ordered Mineral County to serve via Rule 4 personal service in the fall of 2013, after finding that Rule 4 service on all previously-identified appropriative water rights holders in the Walker River Basin was complete. *See Minutes of Proceedings*, at 2 (Sept. 6, 2013) (ECF 725); *Summary for the Status Conference Held November 4, 2013*, at 3 (Nov. 20, 2013) (ECF 733); *Transcript of Proceedings*, at 28-30 (Nov. 4, 2013) (ECF 737). During 2014, at the Court's direction, Mineral County worked diligently with counsel for Mono County and the Mono County Assessor's Office to compile the list of California riparian property owners who the Court ordered it to serve via Rule 4 of the Federal Rules of Civil Procedure. This list became the basis for the Court's list of California riparian property owner Defendants. In the spring of 2015, Mineral County mailed requests for waivers of personal service of notice in lieu of summons in

1 accordance with the Court's orders to those owners pursuant to Federal Rule of Civil Procedure  
2 4(d)(1), which list totaled 341 defendants. That mailing consisted of the service package at the  
3 time, which was comprised of the Court's August 2, 2012, *Order Relating to Completion of*  
4 *Service* (ECF 605) and the documents that *Order* approved for inclusion in the service package  
5 (*Notice of Motion and Motion for Intervention* (ECF 2); *Proposed Petition to Intervene*,  
6 *Memorandum of Points and Authorities in Support of Proposed Petition to Intervene*, and  
7 supporting affidavits and exhibits (ECF 3); *Amended Complaint in Intervention* (ECF 20);  
8 *Amended Memorandum of Points and Authorities in Support of Mineral County's Amended*  
9 *Complaint in Intervention* (ECF 21); *Motion for Preliminary Injunction*, *Memorandum of Points*  
10 *and Authorities*, *Affidavit of Kelvin J. Buchanan, P.E.*, and *Affidavit of Gary L. Vinyard, Ph.D.*  
11 (ECF 22); *Notice in Lieu of Summons* properly issued by the Clerk of the Court; *Notice of*  
12 *Appearance and Intent to Participate* form; *Disclaimer of Interest in Water Rights and Notice of*  
13 *Related Information and Documentation Supporting Disclaimer* form; *Joint Motion for*  
14 *Substitution of Parties Following Transfer of Interest* form; and a *Statement Noting Death* form).  
15 It also included two *Waiver of Personal Service of Notice in Lieu of Summons* forms approved by  
16 the Court in its August 2, 2012, *Order* and a self-addressed stamped return envelope.

17  
18  
19 Mineral County's mailed request for waiver of personal service of notice in lieu of  
20 summons effort yielded 161 signed *Waiver of Personal Service of Notice in Lieu of Summons*  
21 forms from Defendants, 16 of whom also filed notices of appearance and 4 of whom sent notices  
22 of appearance to Mineral County but did not file them with the Court, and also resulted in notices  
23 of appearance filed by two Defendants who did not return a waiver, leaving 178 California  
24 riparian property owner Defendants who remained to be served via personal service. When  
25 Judge Jones dismissed the case on May 28, 2015, ECF 814, Mineral County discontinued all

1 personal service efforts pending the outcome of Mineral County's appeal of that dismissal to the  
2 Court of Appeals for the Ninth Circuit, as there no longer was an active case for purposes of  
3 personal service.

4 In the spring of 2021, following the Ninth Circuit's reversal of Judge Jones' dismissal of  
5 the 128 subproceeding, *see* ECF 904, Mineral County expended significant time and expense  
6 working with the Mono County Assessor's Office to update the property ownership information  
7 for those California riparian property owner Defendants who did not return *Waiver of Personal*  
8 *Service of Notice in Lieu of Summons* forms in 2015, and submitted an updated list of California  
9 riparian property owner Defendants to the Court in the form of an attachment to a *Proposed*  
10 *Order Relating to Completion of Service and Schedule for Responses to Mineral County's*  
11 *Second Amended Complaint in Intervention*. *See* ECF 938 & 938-1. Following the Court's July  
12 19, 2021, *Order Relating to Completion of Service and Schedule for Responses to Mineral*  
13 *County's Second Amended Complaint in Intervention*, ECF 943, approving this updated list and  
14 setting a deadline of December 31, 2021, for completion of Rule 4 service,<sup>3</sup> and *Order*  
15 *Approving Mineral County Service Package*, ECF 944, Mineral County personally served those  
16 California riparian property owner Defendants who had not already returned *Waiver of Personal*  
17 *Service of Notice in Lieu of Summons* forms or filed notices of appearance with the updated  
18 service package approved by the Court in its *Order Approving Mineral County Service Package*.

23  
24 <sup>3</sup> While the deadline for completion of service was set for December 31, 2021, the Court was  
25 aware that while Mineral County would endeavor to complete service by that date, there could be  
26 a limited number of Defendants who Mineral County would be unable to serve by the deadline  
27 and who Mineral County would need to address in a later filing.

1 On December 31, 2021, Mineral County filed proofs of service documenting service on  
2 the vast majority of the Defendants included on this final list. See ECF 1010 & 1011. The proof  
3 of service affidavit signed by Mr. Craig Rimer, the Court-approved process server for the C-128  
4 subproceeding, noted that proofs of service for two outstanding California riparian property  
5 owner Defendants for whom service had proven exceedingly difficult would follow shortly  
6 thereafter and additionally that several death certificates would be filed after they were received.  
7 See ECF 1010, at ¶¶ 9, 10, & 11.

8  
9 On February 9, 2022, Mineral County filed a *Supplemental Affidavit of Service Pursuant*  
10 *to Federal Rules of Civil Procedure § 4(e)(2)(A)-(C) and California Rules of Civil Procedure §*  
11 *415.20 By Special Appointed Process Server Craig Wesley Rimer* documenting service efforts on  
12 these outstanding Defendants which included: (1) the proofs of service for those final two  
13 California riparian property owner Defendants; (2) proof of service for one California riparian  
14 property owner Defendant who was inadvertently omitted from the December 31, 2021,  
15 affidavit, ECF 1010; and (3) proof of service on one additional California riparian property  
16 owner Defendant for whom it was determined that initial service efforts were insufficient. ECF  
17 1026. On that date, Mineral County also filed a separate *Supplemental Affidavit of Service Upon*  
18 *Brian R. Reed Pursuant to Federal Rules of Civil Procedure § 4(e)(2)(A)*, ECF 1027, addressing  
19 one Defendant who appears to be intentionally evading service, which service efforts are  
20 explained therein and below. Finally, on that date, Mineral County filed an *Affidavit Regarding*  
21 *California Property Ownership by Process Riparian Special Appointed Server Craig Wesley*  
22 *Rimer*, ECF 1028, attaching death certificates for four (4) California riparian property owner  
23 Defendants and listing current ownership information for the properties which were the basis for  
24  
25  
26

the inclusion of seven (7) deceased Defendants on the final list of California riparian property owner Defendants to be served.

**Service of this Service Report Under Fed. R. Civ. P. 5:**

Pursuant to the Court’s July 19, 2021, *Order Discontinuing Service by Mail*, ECF 942, and *Order Relating to Completion of Service and Schedule for Responses to Mineral County’s Second Amended Complaint in Intervention*, ECF 943, which was included in Mineral County’s Service Package, every Unrepresented Party<sup>5</sup> receiving service by mail was required to provide an e-mail address for purposes of receiving service by electronic mail or, in the alternative, attempt to establish unique circumstances that make electronic service an impossibility or an undue hardship. ECF 942, at 2. Further, the *Order Discontinuing Service by Mail* provided that the failure to sign up for e-service is interpreted by the Court to mean that the Unrepresented Party consents to receive service and notice of all future filings by taking the responsibility to check the public website established and maintained by the Court. ECF 942, at 2.

Therefore, Mineral County is serving this Service Report by mail on the one Unrepresented Party for whom the Court granted a request for mailed service, Joe and David Sceirine Ranches. *See* ECF 1016. Additionally, all Defendants who filed a *Disclaimer of Interest* after being served or who sent a *Notice of Appearance and Intent to Participate* to Mineral County but who did not file it with the Court are being served with a copy of the

attaching those *Notices of Appearance* to this Report to ensure that the Defendants’ failure to file them with the Court is rectified.

2 Mineral County is serving relevant portions of this Service Report on a number of parties who

19 <sup>6</sup> For the purpose of mailed service of this Service Report on various Defendants, "relevant  
20 portions" means pages 1 through 10, the page that includes service information specific to the  
21 particular Defendant, the conclusion pages, the certificate of service pages, the portion of Exhibit  
22 A that relates to the particular Defendant, any portion of Exhibit B that relates to the particular  
23 Defendant, and Exhibits C through F. Defendants who wish to view the entire filing may access  
24 it from the Court's website, which link is referenced herein.

25 <sup>7</sup> Defendants who sent a *Notice of Appearance and Intent to Participate* to Mineral County but  
26 who did not file it with the Court also are being served with a copy of the Court's *Order*  
27 *Discontinuing Service by Mail*, ECF 942, which required them to sign up for e-service.

28 <sup>8</sup> While these parties have since been served with that *Order* by the Court, *see* ECF 1020, such  
service may not have occurred in sufficient time to allow for the filing of a notice of appearance  
prior to Mineral County's filing of this Service Report, and so service on those parties is  
necessary in order to ensure that they will receive notice of Mineral County's filing.

1 **143. Hoffman Revocable Trust, Dated February 11, 2019, Walter and Kathleen**  
2 **Hoffman, Trustees**

3 Method and Date of Service: Substituted service on occupant, Ms. Watterson, December  
4 4, 2021 (*see* ECF 1011) (*Jakob Duran Proof of Service*); personal service on Kathleen  
5 Hoffmann, Trustee, January 17, 2022. *See Craig Rimer Supplemental Proof of Service*  
6 (ECF 1026, Exhibit C).

7 Post-Service Filing(s): Walter Hoffmann filed a letter with the Court on January 24,  
8 2022, stating that personal service on the Hoffmann Revocable Trust appeared to have  
9 been in error and stating that he and his wife Kathleen had been dismissed from the C-  
10 127 subproceeding, *not this one*, in their personal capacities in 2013. ECF 1023. Based  
11 on the letter filed by Mr. Hoffmann, and according to the Mono County Assessor's  
12 Office, it appears that the Hoffmann Revocable Trust does indeed own the property  
13 which the Mono County Assessor's Office lists as riparian to the Walker River system,  
14 35 Lodgepole Road, Bridgeport, CA. However, Mineral County reviewed the November  
15 21, 2013, *Eighteenth Report of the United States of America Concerning Status of Service*  
16 *on Certain Persons and Entities*, Exhibits 200 and 201 attached thereto, pertaining to Mr.  
17 and Mrs. Hoffmann, and the *Order Concerning Eighteenth Report of the United States of*  
18 *America Concerning Status of Service on Certain Persons and Entities*, *see United States*  
19 *v. WRID*, 3:73-cv-0127 (ECF 1953 & 2074) (Nov. 21, 2013), and confirmed that the  
20 Court in the C-127 subproceeding did dismiss the Hoffmanns in their individual  
21 capacities as previous owners of the same property, because it was determined that the  
22 property was listed by the Mono County Assessor's Office as riparian to the Walker  
23 River in error.

21       <sup>13</sup> Pursuant to the Court's September 6, 2011, *Amended Order Concerning Service Issues*  
22       *Pertaining to Defendants Who Have Been Served*, "[a]ny person or entity who files a Disclaimer  
23       of Interest ... is ultimately responsible for the accuracy of that filing. Consequently, any person  
24       or entity who files a notice regarding water rights subject to this litigation, but retains such water  
25       rights, shall nevertheless be bound by the results of this litigation." ECF 542, ¶ 16. Thus, if it is  
26       found that the Trust does, in fact, own land that is riparian to the Walker River consistent with  
27       the riparian owner list provided by the Mono County Assessor's Office, the Trust will be bound  
28       by the results of this litigation.

19       2021, and January 17 and 18, 2022. *See Jakob Duran Supplemental Proof of Service on*  
20       *Brian R. Reed* (ECF 1027). Mr. Reed refuses to answer the door when Mineral County's  
21       process servers announce themselves and is believed by Mineral County's process server  
22       and investigator, Craig Rimer, to be dangerous. *See id.* On January 18, 2022, Mineral  
23       County's process server knocked on Mr. Reed's door, announced himself, and left

1 Mineral County's service package outside Mr. Reed's door when he refused to open it.

2 *Id.* Additionally, Mineral County's service package was sent via both first class and  
3 certified mail to the mailing address on file with the Mono County Assessor's Office for  
4 Mr. Reed on January 27, 2022. *Id.*

5 Post-Service Filing(s): None.

6 Service Address: 1379 Kimmerling Road, Unit B, Gardnerville, Nevada, 89460.

7 Requested Action: Because Mr. Reed consistently has evaded service and is believed to  
8 be dangerous by Mineral County's process servers, Mineral County requests that the  
9 Court, consistent with Fed. R. Civ. P. 4(e)(1) and Nev. R. Civ. P. 4.4(b), ratify the above-  
10 described alternative service on Mr. Reed, which included: (1) Knocking on Mr. Reed's  
11 door, verifying that an occupant is present, announcing the process server's purpose, and  
12 leaving the service package at the base of Mr. Reed's door; (2) Mailing, via certified  
13 mail, to Mr. Reed at his above mailing address, Mineral County's service package; and  
14 (3) Mailing, by regular first class mail, to Mr. Reed at his above mailing address, Mineral  
15 County's service package. Mailing by regular first class mail is designed to reach Mr.  
16 Reed should he refuse to accept the service package mailed via certified mail. Mineral  
17 County's investigator has confirmed his mailing address. Mr. Reed is believed to be  
18 actively evading the service efforts of Mineral County's process server, has been seen  
19 inside the residence, and is believed to be dangerous by Mineral County's process  
20 servers. Mineral County's alternative service method comports with the requirements of  
21 due process, because it is reasonably calculated, under all the circumstances to give Mr.  
22 Reed actual notice of this litigation and afford him an opportunity to be heard. *See*

*Mullane v. Central Hanover Bank & Trust Co.*, 339 U.S. 306, 314 (1950) (citations omitted). Thus, the requirements of due process are satisfied.
